Dear Friend of Dearborn Adult and Community Education,

Although Michigan winters can be unpredictable, the best way to stay productive is to keep your mind and body active all season long. We must remember that knowledge and good health are our most valuable possessions. The classes offered in this brochure may bring about the knowledge you need to meet the challenges and opportunities ahead. I encourage you to take a moment and explore the wide variety of offerings in this brochure.

Whether it is learning how to better manage your money, starting a new career, activities for children, or just exploring a new area of interest, there is no better time than now to take advantage of all the outstanding opportunities being offered through our Adult and Community Education program. Finding a class or program of interest is easy and signing up is even easier with on-line registration.

The Dearborn community has always placed high priority on education and life-long learning. The Dearborn Public Schools has a long tradition of meeting the educational needs of the community, not only in grades kindergarten through twelve, but at all age levels from our youngest to our most senior residents.

I am excited that the tradition of life-long learning continues with the winter 2019 semester of classes and programs offered through the Adult and Community Education program. From early learning for toddlers offered by our Child Development Center to a host of classes and programs available through Adult and Community Education, there is truly something for everyone.

Regards,

Dr. Glenn Maleyko
Superintendent

CLASS OFFERINGS
The Community Education Department makes every attempt to offer each semester an adequate number of class sections of our most popular classes. However, students may find some classes filled to the maximum enrollment. Waiting lists are established for classes that have filled, and in many instances an additional section of the class will be offered. Classes with inadequate registration may be canceled or shortened. Students are encouraged to register as early as possible during the registration period to avoid disappointment.

ELIGIBILITY
Enrichment Programs: All persons 16 years of age or older are eligible to participate in the Adult Enrichment and Business Education programs. If a student attends high school, he or she must have written approval from a counselor. Please note programs for school age students.

FEES
◆ Registration fees are due when you register. There is a $5 non-refundable registration fee.
◆ Phone and fax registrations are only accepted with credit cards.
◆ Materials’ fees are generally collected the first night of class by the instructor. If a lab or materials’ fee is charged for a class, all students, including senior citizens, must pay the fee.
◆ Supplies should not be purchased until you know classes will be held.
◆ $5 Service fee is applies to ALL registrations and covers website cost, registration staff salaries and bank fees.

IMPORTANT NOTES
◆ Plan to attend class unless notified otherwise. You will be contacted only if a class is full, canceled or the time/date has changed.
◆ If the Dearborn School District closes due to weather conditions, Community Education programs will not be held. Call (313) 827-3008 for updates.

RECEIPTS
Unless registering in person, confirmation receipts are not issued. Obtain a receipt by:
◆ Sending a request, along with a self-addressed, stamped envelope to:
  Dearborn Community Education, 22586 Ann Arbor Trail, Dearborn Heights, MI 48127
◆ Stopping by the Dearborn Community Education office, 10:00 a.m.-12:00 p.m. Mon-Fri.

REFUNDS (Enrichment Programs Only)
Drops 48 hours before the first class may receive a full refund, minus a $5 fee. Drops made after 48 hours prior to the first class or 24 hours after the first class will receive a 50% refund. Absolutely no refunds 24 hours after the first class.

Refunds may be applied for in the Community Education office in the Michael Berry Career Center between 10:00 a.m. and 12:00 p.m., Monday - Friday. Tuition refunds are mailed to the student. Please allow at least four weeks for processing.

**How to Be a Better Husband**

Join instructor Pat Shearer for a humorous look at many of the relationship lessons he has learned through the years. We'll work our way from the basics...don't forget the anniversary, to the more complex---the in-laws! Pat will take you through the painful review of the practical lessons he has learned the hard way over his last 20+ years of marriage. Examples include telling his wife that "ironing shirts is your job?" and every husbands favorite response, "...what's the big deal?"
The course material is designed to bring husbands face to face with the old adage, "Would you rather be happy or right?"
The class will provide a collection of recommendations to help eliminate some of the most annoying behaviors that prevent having a "happy wife" and therefore a happy life.
The class content is strictly experience based, the instructor has no formal training in psychology or counseling just a collection of self-inflicted emotional scars from being stupid.

The Case for Federal Term Limits

Presidential term limits were established in 1951. Fifteen states, including Michigan, have implemented term limits. Over the years there have been recurring discussions about the need for Federal Congressional term limits. In this class the instructor, Patrick Shearer, will review history of terms limits as well as the typical argument for and against capping time in office. Using that information, Pat will present an argument for why the United States should revise the constitution to include term limits for Congress. That part of the class will be used to kick-off a discussion where participants can discuss both sides of the argument. Dissenters are welcome to attend. We'll wrap up the class with a list of the organizations involved in the term limit question in case you would like to get further involved.

Zone Toning Winter Fat Blaster 2019
Top Winners FOUR YEARS STANDING in
the "WDIV VOTE 4 the BEST" Contest!!

If fat loss and creating muscle are your goals, this is your class. Busy people don't have time to target one muscle group at a time, and then do a separate cardio workout. If you want to slim down and tone up fast, you need to do exercises that stimulate as many muscle groups as possible at the same time. Instructors keep classes progressive and dynamic to ensure muscle challenge with combination of Pilates, weights and resistance bands. Compound moves boost metabolism, increase heart rate and train multiple muscle groups at one time which creates optimal muscle definition and means you are automatically burning extra calories. Engaging more muscles puts you in the cardio zone without running, jumping or dancing. Total Fat BLAST each session! Bring 3-5 lb. weights, water and a mat. Dyna-Band™ can be purchased from instructor for $6 each & Thermal Abdominal Bands $10.

Ballet Core Pilates
Ballet-Core-Pilates-Fusion is a unique class that combines two tried-and-true disciplines into one optimal workout. Pilates strengthens and stretches the major muscles, activates your core (the band of muscles below your chest), and energizes your body. Ballet increases blood flow, develops poise, promotes good posture, and improves balance. The results? Sculpt your arms, legs, hips, and core – and look trimmer than ever! Reduce backaches and stress, develop stature, support the spine, and feel steady on your feet. Gain an incredible sense of ease throughout your body. Get that dancer's body! No dance experience required. Open to all fitness levels. Mat needed.

Fat Burning Pilates
Through this invigorating workout, you will learn to utilize our "powerhouse," while including a series of postures and breathing exercises practiced to achieve control of the body, mind and breath. Power Pilates is proved to deliver a satisfying workout with strengthening, body-shaping effects. The effect is to strengthen and tone muscles without adding bulk. As a bonus, when you add muscle to your body you stimulate your metabolism. This helps to decrease your body fat by burning calories and fat for a longer, leaner look. **Mat needed.**

Kids Swim

Three levels of swimming instruction are offered to children from preschool through middle school age. The program follows American Red Cross guidelines. Children are to be accompanied by a parent or guardian. Parents are welcome to view the swim instruction from the seating area. Locker rooms are open for changing, but no lockers are available for storage. *Boys up to age 5 may use the Girls’ locker room with their mothers, and girls up to age 5 may use the Boys’ locker room with their fathers.*

**Each class is limited to eight students.**

**The instructor is certified as an American Red Cross Lifeguard**

### Parent and Child

Water exploration for preschool-aged children with their parent is emphasized. Parents need to be in the pool to assist in games and positive reinforcement. Children who are not toilet trained must wear swim diapers under their swimsuits.

**Preschool**

The student becomes oriented and comfortable with water through water adjustment games. Primary swimming skills are introduced. Prerequisite: Child must be toilet trained and be able to separate from parent to participate in a 30 minute class.

Dearborn Public Schools is committed to serving children and families!

We strive to provide quality programs that meet the ever changing needs of our families. For that reason, we offer a variety of preschool options in addition to Kids Club, before and after school age program.

Mini Scholars and Little Scholars is our highly regarded, developmentally appropriate preschool program. We offer a 2-day session for Mini Scholars who are 3 by September 1st and a 3-day session for Little Scholars who are 4 by September 1st. We also offer a toddler and partner session for our Wee Scholars.

The Dearborn Montessori Preschool classroom is a blend of students who are 3 and 4 years old. Students must be 3 by September 1st. Our students attend five days a week, full day sessions experiencing the Montessori child-centered curriculum and methods.

All Day Preschool offers working parents the option of preschool 2-5 days a week, 10 hours or less. A developmentally appropriate center based curriculum is included with snacks, free play, lunch, and rest time. This program is available to preschoolers who are 3 to 5 years old and toilet learned.

Kids Club, our school age before and after school program, operates at eight elementary schools. It is an enrichment program that offers a large variety of engaging activities, as support for the Core Values and the CATCH program. We also offer Kids Club as a Late Start only option where available. See the Kids Club staff at your school. The program is offered for STEM students through Howe at the Heights Center.

Half Day Preschool is a mixed age classroom that is center based with additional focus on Daily 5, early math and science concepts, and music and movement. Children must be 3 years old and fully toilet learned. This program is available 3 to 5 days a week.

Summer Adventure Club is our fabulously fun summer program for students from 3 years to 12 years of age. Weekly themes and field trips keep the summer moving and your students engaged.

We are very proud of all the programs offered by the Early Childhood Department! Please call our main office if you have any questions or need further information. We are currently accepting registrations for programs for the 2018/19 school year. Thank you for your continued support!

The Dearborn Montessori Preschool is an academic program that educates the whole child -- socially, emotionally, physically and intellectually.

The Montessori method uses a “prepared environment”.

Its structure involves many materials used independently.

The teacher acts as the facilitator, the child as the active learner.

This is the core of Montessori’s educational philosophy.

Preschool is open to children who are 3 or 4 years old by September 1 of the current school year.

TUITION AND FEES:

- Preschool registration fee: $75 (non-refundable)
- Preschool materials fee: $50 (non-refundable)
- Total Preschool enrollment fee: $200

For preschool information:  (313) 827-8350

- Preschool full day: $5,600.00 (Dearborn residents)
- $6,540.00 (Non-residents)
- Preschool tuition is conveniently divided into (10) ten monthly installments.
